Rug Soul Project – Merging Heritage with Blockchain Innovation

Author: RUG SOUL

Date: 2025.02.28

CONTENTS

Introduction

Rug Soul Project

Built on the **Polygon Layer 2** network, we are creating a bigger & better space for artists to showcase their talents, collectors to invest in timeless pieces & consumers to own authentic luxury products backed by **Real-World Assets (RWA)**. As a **Decentralized autonomous Organization (DAO)**, Our community plays a vital role in shaping the future of art, culture & innovation.
